The Premises:

Usual location with free parking immediately to hand. Room was clean and tidy, shower worked ok except for having to hold the button in.

Maid friendly and helpful.

The Lady:

Jayda is tall, slender and very pretty, quite took my breath away. Her hair is mid-length, she wore it up for the session. Better in real life than in the photographs.

The Story:

Greeted by Jayda with a friendly smile, we undressed and I lay on the couch. Only 30 minutes so straight into it.

Not a firm massage, but copious amounts of oil rubbed into my back, legs and dribbled between my legs. Jayda paid attention to the significant bits early on. Very nice indeed!

I loved the body-to-body face down, it probably helped that she is considerably taller than me, so her breasts appeared tantalizingly over my shoulder. Jayda seemed happy with my stroking her back and bum and later her breasts.

Onto my back and very nice body to body continued, a mix of sliding about and using her hands on my tackle. Her breasts were delightfully available at mouth level.

This built up nicely to an amazing orgasm which practically blew me off the table, and we both had a good laugh at the intensity of it, helped by the fact I am super ticklish immediately afterwards.

All in all a great time with a lovely lady. We didn't have time for much chat, but Jayda was friendly and engaging throughout.

I will return and see Jayda again when time allows, taking longer so I can return the massage.

Thanks Jayda!
Mike
