The Premises:

Executive Suite is in the centre of town but on a quiet road. NCP opposite. The place is clean and comfortable with three rooms, showers and sauna and a TV lounge.

The Lady:

Rachel is about 5'5" of slim build. She has lovely skin and eyes, blonde hair and an excellent personality and sense of humour. Her breasts are lovely, though on the small size, but nipples that were made for sucking and tweeking.

The Story:

I have seen Rachel many times now and always try to do something different, but generally just relax together and plenty of contact. She enjoys most positions, but most of all we both enjoy me giving her an all over massage followed by oral (she tastes great) and sex (which by that stage of arousal is all too short!)
