Annabellas flat in central Milton Keynes, well kept but blinds could do with fixing especially given the floor to ceiling window...

The Lady:

Extremely pretty and well made up, matches stats and photos on the Annabellas site

The Story:

I've seen Amy a couple of times and never left disappointed so felt a review is probably in order

This time she answered the door in white lingerie and a smile before leading the way to the bedroom. Started off by asking what I was looking for in the booking (Nothing beyond the vanilla in this case) and she is more than confident enough to take the lead from there without just going through the motions. Really enjoyable OWO, RO and sex throughout which she seemed engaged and enthusiastic, she has a far better sense of humour than I do after what must have been a long day and the hour was up in no time

Overall a really great hour with a fun and sexy woman, would definitely recommend
