The Premises:

Had to hunt for somewhere to park but luckily came across a Car Park £3/day and the machine was broken, so free parking!

Address received by text message, easy to find in main shopping area MK2.

The Lady:

I arrived 5 minutes late due to the walk and slightly out of breath. Was offered a drink and asked for a glass of water before being shown to the room. Very good sized room with double bed, sofa and floor standing mirror.

When Jess arrived I knew I had made the perfect choice. I had only seen Jess on the website, but she is even more beautiful if that's possible!

The Story:

Paperwork out of the way, after a quick kiss Jess asked what I liked. I asked for lots of kissing and edging. Bless her, Jess didn't know edging was, so I explained. Well, you would never have known that Jess has never done edging before, but what followed was an entire 90 minutes of having the most incredible handjob, interspersed with great varied OWO when I asked.

After a while, I asked to give oral to Jess and she readily agreed - a lovely 10 minutes followed with me trying to pleasure Jess - not sure if I did or not but she was making all the right noises :)

Throughout the entire time the smile never left Jess' face and there was lots of lovely soft kissing. I couldn't believe my luck an old fella like me just laying there being edged by such a beautiful and friendly girl.

Once we got to the last 10 minutes I asked Jess to make me cum, and she happily obliged with nice long strokes.

Conversation flowed easily all the way through, and after a quick cleanup we somehow ended up discussing sausages and fish of all things! (no pun intended)

Jess, thanks so much for a wonderful 90 minutes. Next time I'll have a duo and arrange the day before. Take care and Happy Birthday for next month.

Steve
