The Story:

Was running a little late ... got there and she opened the door.

Amazingly Gorgeous young lady with captivating eyes!!

Got me some water and str8 away we just hit it off (got on very well)

Bit of small talk about where she's from and her history up until coming to the UK.

Very good OWO - she took in all of my weapon in her mouth and was completely involved.

Not too much saliva or any hint of rushing - she was totally enjoying it!!

I returned the favour, she was pleased and Sporadically trembling in the moment :)

Put on the raincoat with her mount and it was very very involved (switching positions) so much so that we lost Track of time and had to be prompted to end lol

I highly rate this girl and if you read this Dollar thank you for an amazing time. Truly your's the chocolate sex freak lol

I have to say, I loved every minute of my time with her! Not just because her service is amazing and she clearly is very talented but more so the human being that she is. We all work in whatever fields and have bad days or clock watch but none of this was on show! I checked my phone to try and see how long we had left and she said strictly no phones it's our time lol

You really provide an A++ service!

I definitely Shall see you again soon. thank you ;)
