The Premises:

Low rise block just off Queensway - allow yourself a few minutes to find the buzzer to her flat which is accessed in the corner of the small car park. Flat was quite small, functional, clean with a bath rather than shower, which was quickly filled with hot water and lots of bubbles to share together!

The Lady:

Patsy is quite tall for a thai lady, slender, with beautiful long legs. She was wearing a lot of make up but looked close to her web pictures, but what you don't get from the photos is her crazy extrovert personality! She actually said she didn't like quiet customers, and she is probably therefore not for the shy or self conscious as he may well make you feel uncomfortable with her razor sharp wit and gentle p*** taking about body shape, hair loss, size of assets, you name it! If you accept it all as tongue in cheek fun, and give a bit back, she is a refreshing breath of fresh air, compared to more formulaic experiences. You just need to find a way to stop her talking.....

The Story:

A longer booking is therefore recommended as much of a 60 minute stint would be taken up in the bath, and then chatting! Fortunately, including an hour extension, we had plenty of time to get to know each other more intimately, and pretty much everything is on the menu except anal, including a nice long cuddle and a drink a good few minutes beyond our appointed time - no clock watching at all.
