The Premises:

Tracy has a small basement flat a short walk from Bayswater tube station. It's clean and comfortable with efficient shower.

The Lady:

Tracy is a slim yet busty Thai woman, in her 20's, and very pretty. The video on the website illustrates this very clearly.

The Story:

I first visited Tracy in early May when she was newly arrived and fairly new to the game. I reviewed her very favourably then, and was keen to see whether that original impression was still justified. I am pleased to say it is, and she is just as desirable now as she was then! There has been no lessening of her welcoming attitude, or her intention to please during the various sexual services provided.
