The Story:

I've had the pleasure of meeting Elizabeth a few times when she was previously working at Hod and have always had an amazing time. I couldn't believe my luck when she reappeared on the schedule during my weekend in London. Booked and confirmed as the norm I arrived a few minutes early and was welcomed in by the lovely and charming maid. As I waited for Lizzy to come in I couldn't help but feel a bit apprehensive. Would she be the same beautiful girl, would she still deliver that same amazing gfe, and would this meeting hit the heights of those previous encounters. I'm pleased to say that the answer was a resounding yes on all counts. From the minute she walked into the room and winked at me I knew I was in for an amazing time.

A few minutes spent chatting and kissing and getting reacquainted before retiring to the bed. I'm not going into the full details but you all now the score. The owo was excellent, the sex in multiple positions was slow, sensual and amazing and the cim finish in 69 at the end was just sublime. Just enough time for a final cuddle, kiss and a chat with this beautiful young lady before sadly it was time to go. Wonderful to see you again Lizzy. You haven't changed a bit x
