### The Lady:

Abbie is a very attractive woman who makes you feel appreciated. Had visited another local parlour prior but the experience wasn't memorable. Abbie knew I was very nervous and immediately comforted me and took control but in a very nice way.

### The Story:

After I had my shower Abbie came into the room and complimented me on my sun tan and we laid on the bed together. I was a nervous wreck and Abbie kissed and embraced me which calmed me somewhat. I asked if I could go down on her and suddenly those legs were at quarter to three and it was so nice. She really enjoyed oral and regularly complimented me during. I asked her to get in the doggy position because I love giving oral like tat and she obliged mmmmm Maybe due to my nervous anxiety my old boy wasn't responding, I was totally embarrassed but Abbie did not give up on me and suggested a 69. Oh man! her technique did the trick and warned her I was about to blow, at the very last moment she finished me by hand and it was so strong. My second visit had to be with Abbie again and straight away she remembered me and suggested a plan to make sure I was successful. My word this girl is awesome. If it's your first time I recommend Abbie, she's magic.
