The Premises:

Small room - the bed took up about half the floorspace - but clean & comfortable.

The Lady:

I would hesitate to suggest that the pictures on the HOD site might not be genuine - that would be very unlike HOD - but the pictures on Twitter (one on 19th Dec., two on 27th Dec.) are a much better likeness - prettier in the flesh, very nice smile, fake tits very nicely done, a bit of a belly but not enough to be a turn-off. English good enough for slightly hesitant conversation, spoken with a sexy Portuguese accent.

The Story:

Nina was friendly, chatty, enthusiastic, self-confident. No complaints at all with the service - only CIM and fingers-in-pussy were off limits. Kissing was deep verging on aggressive. Definitely recommended, just as long as you don't need 'em to be super-skinny. She says she's only in the UK for about 4 more weeks.
