The Lady:

Advertised as 31 but actually looks mid twenties. Gorgeous girl. Slim, rock hard ass, nice little breasts with hard nipples. Lovely beautiful face and very soft black hair. Completely shaven.

The Story:

One of the most enthusiastic girls I have ever met.

Apple walked in I handed her the cash and she greeted me with a tongue in my mouth and we snogged our way to the bed and stripped whilst kissing.

We kissed for ages and writhed around together her long tongue was so deep in my mouth.

Next she kissed her way down to take me in her mouth and my cock grew hard in her warm lips. Once I was fully hard she took my full length, 7 inches all the way. Kissing down my shaft she licked and sucked my balls and then down to my arse where she hungrily slipped her tongue without being asked.

I had to taste her, she lay back and worked on her clit with my tongue as she moaned with satisfaction. Her nipples immediately went hard as I slipped a finger into her tight pussy. She turned over and allowed me to slip a finger in her asshole after she had sucked it to get it wet. It was so tight at first but then her little ring gave way and let me in. As I gently pumped in and out her ring gripped me and felt fantastic. I pulled my finger out and buried my face in that gorgeous ass. The moment I forced my tongue into her asshole she shuddered with delight and I carried on feasting on that clean hole whilst she pushed her cheeks into my face.

Next up 69 and I once more enjoyed having her ass planted on my face, this time licking her pussy as she worked on my cock and balls for 10 mins or so. Then I asked her if I could cum in her mouth, she climbed off and went down on me until I released an enormous load into her mouth. She kept

sucking until every last drop was pumped out. She then got up and sexily looked me in the eyes as she left the room to spit and came back in 30seconds to kiss and cuddle on the bed. She offered me a massage with lotion and gave me a proper sports massage all the way to my calves. I turn over and she once more started kissing and licking and snogging and caressing me all over. I passed her a condom from the side of the bed and she skilfully put it in with her mouth. Then she climbed on and I entered that tight pussy with my cock for the first time - heaven.

For the next 40 mins we fucked in every position. Reverse cowgirl, missionary, spoons, her sitting on my lap, her standing with her hands high against the wall as I fucked her from behind, the same against the mirror, then spun round to the bed as she bent over stood up and rammed into this sexy Asian babe. At some point we took the condom off so she could get on her knees and suck me off some more and I licked her out more then another Jonny on and more fucking as we both worked up a sweat. When I fucked her doggy on the bed she called out in pleasure and we fucked hard, perfectly in sync with each other. I finished in missionary, pumping a second load into her whilst we kissed passionately.

Lots of snogs whilst I got dressed. Amazing girl.
