The Premises:

Basement flat on a quiet pleasant square near Bayswater. Metered parking found easily enough less than 100 yards from her flat. Ana's flat is quite small and very narrow, but she takes great pride in it, and makes it as homely as she can. She really could do with a bathroom with a bath as well as a shower - a shared bath with Anna would be heaven itself!

The Lady:

12 previous reviews undoubtedly don't lie, so I will simply confirm that Anna is a striking beauty, with a voluptuous body and sensational breasts, friendly personality and a magical smile. In an entirely complimentary way, I would guess her to be late 20s, and looks just like her video. She has also just extended her range of outfits to include lots of black latex, stockings and lingerie, so if that's your thing just ask! to be honest she would look amazing in an OAP's dressing gown as she oozes genuine sex appeal.

The Story:

Anna will take you on a fantasy with sensational deep kissing from the outset sending you into a reverie, before conducting affairs with such enthusiasm I had the impression I was her fantasy rather than the other way round! She has a couple of "no"s which reflect she is a class act, but nonetheless is utterly addictive, hence her legion of fans. She has to be one of the best experiences in London for a genuine GFE, and I will surely return, with or without the shared bath!
