The Story:

I took many times in the past Apple, so I can confident say to you that I become addicted to such a nice woman.

So here I decide to leave also my contributing review for the new ones on this hobby.

I book myself to the Kensington location, and to make a note here, this is the best flat of house of Divine, and it is even better and so clean when the maid Simon working there, she is the best maid I ever encounter on this profession.

I was late 5min, I quickly enter the room, Apple recognize me, i hand over the money and kiss her, she wear some fantastic new shoes, after undressing we move on the bed, and then after some kissing with bit of tongue, Apple plays lightly with this like a bird, not very deep kiss but with those gorgeous lips is very good to feel.. I grab the tit and start suck the small nipple and make it hard, Apple on top of me pushing the tit hard against my mouth ! for few min I suck it and then she give me the other to suck. She jump on top of me, and I stroke the long fantastic hair, she went down and took my dick owo on her mouth very gently and then deeper, with a talent that makes you feel the tongue inside play with it, I suggested 69, gently she come on top position herself perfectly on my mouth, and I started play also with my fingers stroking her ass, she is do clean pussy...without any of the nasty gel, just pure neutral clean, We stay like that more than 10min, she make light noises when we suck each other, she like it she told me: that was nice, then she got up and put the condom on me, and she jump on top making eye contact and faces like a porn star fucked hard, her pussy is tight. after I suggested doggy and I got up on the edge of the bed she position herself accordingly and now I insert my rock solid dick on her pussy from behind and thrust slowly in the beginning and harder as we progress for 5min, she make more noises of pleasure and myself also, for a min I put it inside her ass and then you can tell the sounds of pleasure increase in the bedroom..

She got up and come on her knees in the floor, she remove my condom and took it on her mouth, after another few mins of sucking and myself reaching for her tits, and stroke her hairs and face I exploded inside that mouth, I took it out half for a facial but she don't like that and I respect it so I put it back on her mouth, happily she sucked every drop and then she spit on a tissue.

We chatted and laugh after she is a star !, usually she works and lives in Milton Keynes, and 2 days in London.

Thank you Apple, you have the Greek Man seal of approval !
