The Premises:

First floor flat in a residential street 5 mins walk from the rear of Victoria station. Clean, comfortable and well-managed.

The Lady:

Millie is an ebony-skinned British beauty. She has a pretty face, with a lovely smile, and an absolutely perfect figure. A body beautiful! She now has a striking new hairstyle, as shown in her latest excellent set of photos.

The Story:

Looking back, I was amazed to see my last review of Millie was in April 2018, nearly two years ago! I have seen her a number of times since then, and the pleasure and the overall experience gets even better over time. Without going into details, her oral on me, and mine on her (which appears to give her as much pleasure as it gives me), and the sex in whichever position, are all a complete delight.
