The Premises:

MK2 nr Ego Massage. Free car park right outside, although at 12:30 I just managed to find the last parking space going I think. had the large room at the top. Offered a drink which I declined. This was my 2nd session of 3 today that I had booked earlier in the week. Unfortunately when phoning to confirm the booking I discovered that Jasmine was at a different location to the 1st and 3rd of my appointments which resulted in a mad dash between the 2 locations and back again!

The moral being, if you book back-to-back sessions, always check that the girls are at the same location, surprised I wasn't informed when I booked as if I had known I would have left a 15minute gap between booking to get between the locations.

The Lady:

I was in 2 minds whether to book Jasmine due to there being no reviews, but that is probably because she is new - its definitely not down to anything else.

Waited in the room and when Jasmine entered - O. M. G. The pictures on the website nowhere near do her justice, she is just stunningly beautiful in every way. The sort of girl you could imagine living next door and drooling every time you saw her.

The Story:

Some nice gentle kissing (no tounge) before we got onto the bed. 45 minutes then flew by, Jas was happy to engage in light kissing, gave an awesome handjob which I had to ask her to stop a number of times as I didn't want to cum till my 3rd session which immediately followed this. BJ was OW but I didn't mind as I was just enjoying being in the company of such a lovely girl.

If you read this Jasmine, I wish you every success in your studies and hope that you achieve your ambition which I admire greatly.

I hope she stays long enough for me to see her many more times, and next time I am going to break with my normal tradition of back-to-back booking with different girls, Jasmine really was that good I want her all to myself for a few hours :)
