The Premises:

Flat above the post office, parking nearby coin or card pay and display.
Clean with a very nice bathroom, bedroom fine with a good bed.

The Lady:

She is a tiny size 6 with large enhanced D cup boobs, she is really VERY good looking and and was dressed in white hold up stockings (which marvellously stayed on) a white patent leather mini skirt white bra and thong, she looked fabulous. Her face pics on the website are blurred but I was not at all disappointed when I saw her, she is really lovely to look at and to talk to.

The Story:

Meeting a week or so ago in Milton Keynes. Arrived and parked up, (plenty of parking spaces), entered the block of flats and met at the door by Millie.

Quick trip to the toilet while Millie got me glad of water. I got into the room with just enough time to strip to boxers before she came in with my drink.

We kissed and felt each other for a few minutes. She is a great passionate kisser and that alone gets me hard, but her hand gently caressing my cock made absolutely sure. she stripped off her clothes and I my boxers and we got on the bed for more passionate kissing and stroking her beautiful smooth blemish free skin. after a while she asked to suck my cock, I didn't refuse and after a quick wipe was on it and in position so I could watch. This was very nice. Thereafter followed cowgirl, doggy, missionary, doggy again before a Blow Job and CIM.

Through out she was smiling and laughing and sounding like she was enjoying herself as much as I was, (I don't kid myself that I am a modern day casanova, but it is nice for the sounds of intimacy to appear real).

So in conclusion a very enjoyable time with a great looking girl and I look forward to a return visit at some point in the future
