### The Premises:

Hod 2. Flat in Victoria.

### The Lady:

Gorgeous lady. The maid let me in and I caught a glimpse of this beautiful lady in dark green lingerie. Mid to late late 30s, very pretty, nice smile, excellent figure. Also definitely posh, felt like a bit of a pleb when I was talking to her lol.

### The Story:

Quick shower and then the maid let me into the room. I sorted out the paperwork and tried to collect my thoughts.

I asked if we could do roleplay and her eyes lit up. For the next hour I was like putty in her hands. She was a cougar who took charge of me. She teased me, dominated me, and humiliated me. It was wonderful.

Round 1) She played a neighbour who caught me doing something I shouldn't be doing and blackmailed me into submission.

Round 2) She was a boss who exploited her position.

She was excellent at both roleplays.

We chatted in between punts, and she's really friendly. And so would probably give an excellent GFE experience too.

I would definitely recommend visiting her. She let me know she has a secretary and maid outfits as well who she duos with. So let's just say I will keep an eye on the schedule. Amazing lady.
