The Premises:

A very nice multi-room basement flat not far from Baker Street. We played in a punishment room and a bedroom and I took a shower afterwards. The rooms were clean and well-equipped.

The Lady:

Emma has a lovely smile and I was immediately impressed with the (large) size of her breasts. As far as I could tell all of the photos on her website are genuine.

The Story:

Fabulous!

We decided on a switch roleplay (headmaster/head girl) and she kept in character the whole time. She deliberately failed to wear regulation school knickers and received additional punishment accordingly. Emma took a hard spanking, the tawse and light cane. Full-fledged caning was available for an additional charge but I was very satisfied with the amount of punishment she took and her bottom was very red when I had finished her discipline. We ended with great sex enhanced by Emma's suggestions to make it even more pleasurable. Emma mentioned she has electrics available so I definitely intend to return and experience that the next time I am in London.
