The Story:

Lauren asked is I wanted a soft, medium or firm massage. Went for firm and it was superb - just what I wanted and needed. After this very therapeutic time, Lauren then moved onto the more sensual stage with expert delicate touches over every inch of me- including a very welcome reach under and plenty of attention to my balls and growing cock. Added surprise was her expert attention to my ass....

Turnover over time and the brilliant view of the now naked Lauren - spectacular with beautiful pert breast. More oil, body to body plus HR to an explosive conclusion. This was Lauren's first day....another Ego star
