The Story:

House of Divine really deserve that name. They manage to find the most stunning whores in the world and bring them to us, lesser mortals.

I have been meaning to fuck Elizabeth for a long time now. My favourite has always been Scarlett, but Elizabeth and her Twitter pictures give me a boner all the time. So I decided to make it happen and it was definitely an amazing experience.

I like to request that the girls enter the room wearing nothing but high heels. When Elizabeth entered the room, my jaw almost fell to the floor. I've never seen such an athletic and beautiful body in my life.

Scarlett is perfect, but Elizabeth is something else. She stared at me with those deep, penetrating brown eyes and my knees went all weak. She asked me to grab her pussy while this stunning, super hot

woman grabbed my cock and started to make it hard. It didn't take long. As my cock got hard, she went on her knees and started sucking my cock (OWO). Man! That was one of the best blowjobs I've

ever had. She kept that eye contact and my cock just kept getting harder and harder.

I told her I wanted to eat her pussy, and she told me she would like to keep sucking my cock, so we did a 69 and I ate her pussy and her ass while she kept on sucking my cock. I touched her ass and legs

and I couldn't believe that I was about to fuck this beautiful woman. She dominated the whole thing.

She suddenly put the condom on, and sat on my cock until she made me come. Her eyes kept

looking at mine. Then she went on sucking my cock to make it harder again. We fucked in every single position we could think of. My admiring her body while I saw my cock coming in and out of her pussy.

Elizabeth is an amazing whore. She's sheer perfection. I can't recommend her more.
