The Story:

Had been thinking about seeing Aylin for a while and wasn't disappointed!

Flat door opened by Aylin, who was looking fantastic in a her revealing dress. Taken to bedroom. Got paperwork out of the way. Started stripping each other, kissing (no tongues, but very passionate kissing none the less)and feeling over her lovely body and those amazing boobs!

Moved to the bed , continued kissing. After some moments, she made her way below and gave a fabulous blow job, lots of variation, soft slow.

Continued with oral for some minutes then with condom on, went a bit floppy! but she worked her magic and minutes later was ready & hard again. Went with her on top first, so I good enjoy playing with her stunning boobs.

Tried a few more positions - doggy was the favourite, managed to get really deep inside her which felt amazing. We did this for as long as I could until I came in condom.

She cleaned me up and we chatted for a while , intelligent woman.

All in all a great booking, we just clicked , Aylin knew what to do to me and when.

Hope to see her again soon.
