The Story:

Temp taken at the door and sanitizer offered, shower before and after is a must if you didn't previously and they clean the room thoroughly when you leave.

Possibly the best massage I have ever received, asked for firm and firm I got, time taken everywhere, feet, calves, back, arms and hands all got a working over, I thought I was in heaven, firm gave way to gentle touching of the buttocks and a reach under my stomach to check on my aroused member. Onto my back and back to more massage for a few minutes and then onto the main event, lauren is happy to be touched and her breasts and bum are sooo soft, a quick manouver on her behalf saw her squatting over me whilst she continued her handywork, the view was almost enough to get me over the edge but a cheeky finger definitely finished the job. Great massage, great happy ending, great girl, thank you Lauren
