### The Story:

I've been to Ego around half a dozen times now and every visit has been an enjoyable experience and my appointment with Jess was no different.

You've heard many times that photos don't do a lady justice, well this was the case with Jess, she just oozes sex appeal and is extremely beautiful to boot.

The first half an hour was a massage masterclass ranging from genuine muscle manipulation to erotic teasing. Then onto my back and I was able to watch Jess glide around the table in full flow and my god she's gorgeous. Allowing my hands to wander along with her sensual touch I knew I was going to struggle to last the full hour but I did (well nearly anyway).

This was a great hour and one I will want to repeat as often as I can. Jess is the full package and I cannot recommend her highly enough, I just hope I get to visit Ego again soon which isn't easy as it's a 2-hour drive.
