### The Story:

Nicky opens the door in a secretaries outfit as requested high heels and red lipstick , what a sight.

It has been a while since my last visit but she remembered me so instantly we hit it off like old times, like i was her boyfriend who she hadn't seen in a while (i was a regular until i left london for a while)

Nicky offered me a choice of drinks from beer to tea , always the perfect host.

Gift sorted then she took me into the shower , i declined her offer to join so she could keep her outfit on

Nicky then guided me to the bedroom where we had a lot of fun , i wont go into to many details because that will spoil the experience for you, you will have to find out for yourself.

This was a 3 hour booking so we had plenty of time to talk and nicky is a great listener and speaks

perfect english , she also gives a fantastic massage which i suggest you take advantage of.

Nicky is rare , her service is another level from any other i have experienced

No matter what your needs or preference , GFE or PSE Nicky is your girl.

Treat her well and reap the rewards gentlemen .
