The Premises:

Few minutes away from Bayswater station, discrete basement apartment with clean shower facilities, comfortable bed, nice apartment with a mirrored wardrobe for standing action, although not facing the bed if you enjoy self aggrandising action facing a mirror.

The Lady:

Attractive Curvy Thai women with a friendly obedient attitude, at least in her late 30s with enhanced perky D cup. Greeted with a silky red dress like in her photos as requested without Panties. Handed her a pack of Nutella biscuits and she hugged me straight away and gave me a long kiss on the mouth before we sorted out the formalities.

The Story:

I pinned her to the bed straight away feeling her ass lots of kissing and tongue involvement before she taken me to the shower room and bathed me like a baby. This was great, never had my cock sucked inside the shower that was amazing with the water drenching both of us while on her knees blowing me. Really nice.

Anna's profile promised so much and she delivered. Shared shower, A-levels, DFK, oil massage, obedient attitude, Yes - very enjoyable hour.

Long BBBJ on her knees to the side of the bed while I admired her well done boob job and body throughout. This women can take a long pounding as I have in multiple positions particularly anal in spoons cupping those breasts with spanking was truly tense that both of us had the stamina for. After a tense 30 minutes blow up in her mouth while fingering her lubed ass.

Shared shower again, then volunteered to offered me an oiled massage which I accepted since we still had time left. That was very relaxing going from the neck through my shoulders, spine all the way my ankle and toes, very nice. She made some comments to my lean body which was welcome. This felt like a PSE. She is definitely focused on customer satisfaction which is appreciated.

The agency gentleman I spoke to on the phone seemed to know his girls well, with a very

reassuring tone. she was recommended to me when Someone else wasn't available and she is certainly a good value for money considering the extensive services she offered. I would recommend this agency for the simple reason that they are transparent which is my number one Rule. I will use again if they introduce Japanese and Korean talents to the mix.

Mini skirts are already to be seen in Soho btw, summer looks very promising
