The Premises:

1st Floor Flat between Bayswater tube and Paddington Station. Clean and cosy with a fine if slightly tight Bathroom with Shower. Not suitable for shared showers which is why Tracy does not offer them I imagine.

The Lady:

Tracy was genuinely more impressive in person than even I was expecting from the photos. She has a wonderful smile, very pretty face and a body you can't wait to get your hands on. Petite and slim but not too much so with nice curves and an adorable cute bum. Her breasts are enhanced and look amazing on her and feel pretty good. Her skin is lovely and soft and she is immediately inviting.

The Story:

I was 10 minutes late but both Olina and Tracy dealt with it positively and it was lovely to be invited in after my tardiness. Tracy was friendly from the off which only got better as we spent more time together. I quickly went for a shower and Tracy was attentive from the off when I returned to the room. We enjoyed some passionate kissing before Tracy went down on me for solid blowjob. I really wanted to explore her body some more so we moved to the bed where I went down on her for an extended session of both DATY and rimming. She tasted lovely and responded well. We then moved into a 69 for a while before moving onto the main event. Tracy was engaged, passionate and open to multiple positions which culminated in me finishing in doggy.

Between rounds we chatted with Tracy continuing to exude loveliness while she gave me a massage returning for kissing at multiple points.

The second round was similar to the first including a long kissing session while Tracy gave me hand relief which felt very passionate and close. There were only a few minutes left before the end of a full hour after this so we relaxed for a moment before she offered me a shower which I took before sadly having to say goodbye with more kissing while enjoy the wonderful vista that is her beauty. I can't wait to return.
