The usual place in Bletchley, always clean and staffed by a great team.

The Lady:

Foxy is...well you need to experience her if you haven't already. Suffice to say that the pictures on the site are accurate.

The Story:

I've seen this spectacular lady on a number of occasions now and every time just gets better and naughtier, like we're testing to see where the limits are for the other. Neither of us has tapped out yet ;-)

What happens behind closed doors will stay that way unless you happen to be another client, one of the other girls or the maid in which case you have heard it all because we do get carried away and a "little" vocal haha.

I look forward to the next time our diaries sync up as I NEED to see her again.
