The Premises:

Tracy has a small but comfortable flat in a terraced house a short walk from either Lancaster Gate or Paddington. There is a small but clean and functional shower, just big enough for a shared shower.

The Lady:

Tracy is a slim, extremely pretty, young Thai woman in her late twenties. Other attributes are large soft breasts and a cute bottom. Her video on the agency website shows you just how attractive she is.

The Story:

I have known Tracy a while now, and endured a long absence from before Christmas until the recent easing of lockdown. Therefore I have seen her twice in a month, the second time being the subject of this review.

Tracy is such a lovely and friendly girl, and makes you feel comfortable from the moment you arrive. She kisses warmly from the outset, is very attentive, and is certainly desirable. After a very mutually enjoyable session of oral and sex, she treated me to an expert and relaxing massage. I left there a happy man.
