### The Premises:

An apartment I've been to many times before in Bayswater, not far from station and easy to find. Comfortable and fully equipped for purpose. Showers and facilities were fine. Safe and secure.

### The Lady:

Charlotte is the girl in the pictures, I can confirm this because I've seen her before a few times. She has put on quite a bit of lockdown weight, but still has a great body. Just a little curvier. Her English has improved a lot too, and she is as she has always been, a lot of fun. Likes to take care of you and always gives 100%

### The Story:

I booked a long session with Charlotte because I had time to kill before I had a train to catch, so I would rather spend it with her than wander around waiting. Besides, I know she gives a good massage. But that wasn't my first thought. My first thought was her OWO. This was as good as I remembered it, if not better. Charlotte is one of the few Thai girls who can really do DT and do it well (and I'm quite a long fella too). She is soft and gentle and doesn't mind it when you get a bit wild towards the end and fuck her face, which I did before blowing in her mouth. Fantastic!

I was totally drained after this, so I enjoyed a nice long massage that must have been over an hour. I asked her to use some oils, and she did everywhere, including my feet. Offered me a beer but I declined. She had a beer and went to work on my cock again with some OWO and some nice slow jerking off. We ended up having sex from behind whilst I grabbed her big tits and it wasn't long before I climaxed again. A quick shower and a nice chat with Charlotte before leaving. Perfect.
