Nice enough room.

The Lady:

I'd had my eye pink on Emily for a while.

The pics looked great but she walked into the room, totally naked with a big smile the only thing I could focus on was her perfect, huge, juicy, natural tits. I had a great time but I wish I'd finished with a tit wank!

The Story:

Emily is Italian but has perfect English. She's cheeky and playful and she started off by slowly undressing me, like a girlfriend.

Lots of French kissing plus getting my hands on those beautiful tits. She then put her hands on my hard cock, "you've got a big cock", she said.

(I haven't really, it's 7 inches) but it still felt good to hear her say it.

I wanted to lick her shaven pussy. I could just about feel the bristles beginning to grow again and it was lovely to feel them rasp on my tongue. She was getting wetter and wetter and moaning as I looked into her eyes whilst I was licking her clit. She shuddered and said, "Oh, my clit is very sensitive."

She then told me that it was my turn and I lay on my back with my head on the pillow as she sucked and sucked on my cock. I like a woman with slim arms and as she sucked away I ran my hands up and down the smooth skin on her arms, one of which has a tasteful tattoo.

When she asked if I'd like to fuck, it was pretty obvious to both of us that I would want her cowboy style so that I could see her tits bouncing up and down. She let out a sharp intake of breath as she

sat on my cock. I held her arse and controlled her strokes. Then she took over, grinding up and down and moaning.

We switched to missionary and whilst I was fucking her I asked her to lick her nipples. God, that's sexy at one point we did it together, fucking all the time. The next position was her lying on her back with her legs together, which she described as her favourite. We went at it for some time and then I told her that I wanted to cum on her boobs.

Whilst I wanked, she licked her nipples and played with herself. The thing that tipped me over the edge to deliver a big load for her was her sucking and licking my middle finger with her lush lips whilst she played with her clit. Great eye contact all the time.

We both laughed as I came on her beautiful boobs.

Really nice girl, enthusiastic and top punt. If you are a boob lover, you will adore her.
