The Premises:

Located in Central MK, plenty of parking in local supermarkets or pay and display areas dotted around the place, apartment was easy to find and access was provided with clear and precise instructions

The Lady:

Well where to start, Emily was breathtaking in every way and her photos did not do her justice.

The Story:

So made my way to the apartment and arrived on time as agreed, met with a receptionist who took my temperature and then escorted me to the room.

Within moments Emily entered and my jaw hit the floor, she was absolutely breathtaking and I knew I was in for a great time. She was very much a conversationalist and was incredibly well spoken, we chatted a little bit before getting down to business, she asked what I liked, what I didnt like and after brief negotiations she was all over me.

After we finished, she continued the small talk to avoid any awkward moments which just proved she has a playful nature and worth every penny.

Absolutely one not to miss.
