### The Story:

I arrived early and was offered a shower, which I declined as I'd not long had one. Apple entered the room wearing blue lingerie and with a glass of water for me. Once the paperwork was sorted out Apple started to gently kiss me then DFK all the time rubbing me through my jeans. As I took off my shirt apple began undoing my jeans and along with my boxers dropped them to the floor. Before I could step out of them she had taken me in her mouth. Apple knows how to give a great bj, we moved onto the bed and she carried on until I asked her to sit on my face. After a few minutes she changed position into a 69 this way I could rim her as well. I didn't last long in this position and soon shot my load in her mouth. Apple got up to leave so she could spit it out but I called her back so we could snowball, which is something I do enjoy. After a good massage we began round two with more owo. I asked if I could go behind her, so Apple gets a condom and puts it in her mouth then slides it on me. Once it was on Apple got on all fours and I eased into her tight pussy. I started slowly before picking up the pace and slipping a thumb in her arse. I wanted to cum in her mouth again so off with the condom and Apple on her knees she took me in her mouth again, but at my age sometimes 45 mins isn't long enough to pop twice even with Apple trying hard for it to happen, I had to admit defeat. So after a shower and another DFK it was time to leave.
