The Story:

On the strength of other reviews I went to see Nicky and I wasn't disappointed. Nicky is pretty much up for everything.

Started with an assisted shower, then back to the bed for some extended DFK. Then Nicky got down to some serious BBBJ and ball licking, before giving my arse a excellent rimming. Great stuff, but I was saving my cum for her arse, so I stopped her and asked for anal. I've got a decent sized cock and she didn't have too much trouble taking about 5 inches, but couldn't manage the rest. We did anal three ways: missionary, lots of kissing while doing that, doggy and finally ploughing. The ploughing was great and I came a lot.

Had a break for a massage.

Then Nicky asked if I want to fuck her, but I figured I wouldn't cum wearing a condom, so I opted for more BBBJ. She just kept going and going, lots of spit and gagging noises and switches regularly to pay the old balls some attention. It still didn't look likely I'd cum though, so I asked her for one of my favourites - handjob, whilst she's licking my nipples and I finger her. After an extended session of that with me wondering if I would manage to cum in time, I eventually did with about 5 mins to spare. No more time for anything else except a quick shower.

Great punt. Would recommend.
