The Premises:

Easy visit to an Earls Court apartment I've been to a few times before. Up a few flights of stairs, so not for the terribly unfit I'm afraid. Tidy, spacious and clean inside.

The Lady:

Elena is the woman in the pictures, but they have been enhanced. She is still very lovely, older than what it says I would say. A nice figure, all natural. If it bothers some of you, she has a large caesarean scar across her tummy, but it didn't bother me. She is a lovely woman, very keen to please. Barely speaks a word of English.

The Story:

She was wearing the red dress she has on in her pictures when I arrived. Her hair was done straight and it's bleached blonde also. It didn't take long for her to get the dress off and reveal she was totally naked. Very comfortable with her body, and with mine. She started me off with OWO which was in the top 10% of blow jobs I've had, and I really would have ended there, but I needed to know more. I went down on her (which isn't always a given with me) and she was very responsive. Went into missionary where she clearly climaxed and this was a massive turn on. Cowgirl with her boobs in my face was wonderful, and then we finished with more OWO and CIM. We hadn't even negotiated the extra fee for CIM, and when we finished and I'd showered ready to go, she hadn't even mentioned it. I gave her extra of course before I left.

Very nice girl, incredibly hot and very keen to please.
