The Lady:

Jayda is stunning. She's mid 30's, 5 foot 11, 34D boobs, long blonde hair, lovely trimmed figure and fully shaven downstairs.

The Story:

I hadn't seen Jayda for nearly 2 years and she greeted me like an old friend. To start with I gave her a back massage which she seemed to enjoy. After a few minutes she got up and I replaced her lying face down on the couch. She began massaging my legs and slowly moved to my lower back with occasional reach unders. Then she walked round to the front and began massaging my back and shoulders. I could feel her thighs and firm butt. Then she jumped on top giving me the most amazing body to body massage. She asked me to turn over and then straightaway turned her attention to my cock - slowly wanking it first with her hand then with her tits. With lots of eye contact she got on top allowing me to suck her nipples. Using copious amounts of oil she gradually brought me to an explosive climax. After cleaning up I jumped in the shower. We then chatted some more before heading back downstairs. We had a kiss and cuddle before she showed me out.
