The Premises:

Basement flat of this well-establish provider. About 10 minutes walk from Victoria station. A safe area but not especially discrete. I'm not from that part of town so don't really mind.

The flat was very clean and the shower facilities were good, with toiletries and fresh towels. The bedroom we used was great with a large double bed. Again, very clean.

The Lady:

The first thing to say is that Angel is very beautiful. Her face is obscured in the website photographs but you're in for a pleasant surprise - she is stunning. The photographs are recent and untouched. Her body is exactly as shown. Angel is 24 and quite tall, with very long legs. Her bum is perfect. As you can see from the photographs, Angel has small A cup tits which is very much my thing.

Angel is Romanian but speaks good English and is really good to talk to. She's very open and friendly and immediately puts you at ease.

The Story:

I was greeted at the door by Jules, another beautiful young Romanian girl working here, and shown to the shower. When I came out I was greeted by the maid (absolutely lovely) who showed me to the room and brought me some water. After two or three minutes, Angel came in wearing a black silk robe. Angel is quite tall anyway but in her heels was almost as tall as me. I was blown away by how pretty she is and that just got better when she removed the robe. Angel is very slim with amazing legs - her bum is to die for.

We kissed gently. Not DFK but that's fine with me in these strange times. The kissing was very sensual and after a minute or so her hand found it's way under my towel and I was already hard. I told Angel that I like long slow BJ and hand-job finish. We got on the bed and Angel started sucking me off. Her technique is great. I'm a quick cummer so she took things slowly.

We moved into 69 and her pussy is wonderful and tasted great. I could feel I was getting close so Angel moved alongside me and wanked my off, taking my cum in her mouth.

She cleaned me up and we had a great chat afterwards. She's very engaging and easy to talk with. My only regret is that I only booked 30 minutes - it's not enough time to appreciate such a girl. I will be seeing Angel regularly and have already made an appointment for next week. This time it's 45 minutes and Jules will be joining us!
