The Premises:

Very discreet. I had the benefit of the larger upstairs bedroom, nice and clean, as always! 10 minutes walk from Victoria station.

The Lady:

The (very delightful) maid told me last week that Angel was "lovely" – sorry but I strongly disagree, Angel is totally delightful, not just lovely!!

Early 20's Romanian girl (I firmly believe that they are the prettiest of all nationalities), slender without being skinny and quite tall (about 5'7") I think, but taller with the "fuck me heels!"

It's a pity that face pictures are masked as Angel is really beautiful and toothpaste advertisers would/should pay millions for her perfect white teeth!!

The Story:

Booking confirmed before I left home and then it was all go!

I could not believe what I saw when Angel came into the room, she was really, really lovely!

Kit off and Angel was keen to start OWO and it was very good, deep and no hands!

We swopped positions and Angel sat on my face whilst I returned the compliment – wonderful!

Kitted up after that and Angel rode me until completion.

Very highly recommended
