The Lady:

Chelsea entered the room dressed in lingerie very much like on the website with stockings and suspenders.

Wow is she tall!!!

Even after taking off her shoes she towered above me.

The Story:

I was shown to the room by the maid, and put the money on the bedside table.

This was to be a visit comprising of three sessions, 45mins with Chelsea, followed by another 45 with Bunny and then 1hr with Jess to finish off.

DFK to begin with whilst still standing, with Chelseas hand quickly wandering to my cock and massaging through my jeans.

I was soon hard and anticipating the 2.5 hours that lay before me.

I stripped off and got onto the bed, and Chelsea lay beside me.

Lots of DFK whilst giving me a great HJ and allowing me to finger her at the same time. Boy did she get very wet.

The session continued with Chelsea getting on top for covered sex, and lots of OWO with eye contact. Chelseas OWO technique is very very enjoyable with lots of use of the tongue flipping the head of my cock.

Being as I had 2 further sessions to follow this one, Chelsea honoured my wish not to cum, but I was very close to cumming on a number of occasions and had to ask her to stop and slow down a little.

I could imagine a long session with Chelsea being an awesome experience.

After 45 mins, my time with Chelsea came to an end, and I was left in the room awaiting the arrival of Round 2, Bunny, which is a separate review.
