The Lady:

Photos on website are definitely of this lady. Of course she was dressed more conservatively on arrival :-) but slipped into something more alluring straight away.

Angelique is a 20-something English lady, really very attractive all over. Height 5'6" or 7", her hair is now light brown and quite long. The cheeky expression in the photos is her to a T, and her body is slim and athletic.

The Story:

After a lovely greeting kiss and the formalities, Angelique asked how I wanted our time together to go. I suggested at my age a GFE would be safer, but somehow things morphed into PSE along the way :-) :-).

I'd originally booked an hour but very quickly realised that wouldn't be enough and she agreed an extension. This was a great decision. Angelique is intelligent, fun and very very much into the sex, and we had an absolute whirlwind time. Little prompts every now and again as to what I liked or what she liked kept things moving nicely and we tried plenty of positions and moves - I get the impression that Angelique would be up for pretty much anything!

No gory details necessary, but the highlight was an astonishing deep throat which went on for so long I wondered if she might suffocate...

Treat this gorgeous lady well fellas, and bring your "A" game, because she's bringing hers!
