The Premises:

Prompt and accurate directions by a text .

Lots of nearby parking .

Arrival by taxi more discrete .

A very quiet and secure apartment block in a busy location , so it was unobtrusive.

Met at the door to a modern and well furnished apartment.

Very discreet setup with doors opening and closing to avoid bumping into previous visitors .

The shower on offer was very clean, powerful and lots of hot water , finished with a clean and fluffy towel .

Unfortunately, the shower gels on offer are all rather "feminine " .

The Lady:

Much , much better in real life .

The photos certainly don't do justice to the reality of a breathtakingly beautiful lady.

Average height as stated, but with a delicate frame and lovely hair , now cut to shoulder length and styled impishly attractively.

Aylin , facially is perfection itself , lovely European facial features with a melting smile and hauntingly deep eyes .

Indeed , Aylin's website description is accurate, no photoshop or fakery here.

The Story:

A wonderful experience to start my day.

Paperwork despatched, Aylin bounced onto to large double and invited me to join her.

Without hesitation I explained my needs and preferences , to which she smilingly responded in accented English " Why not ? "

We had a delightful session of OWO , while she ran her ever so soft hands around my body, in a tingling way.

I was enjoying the OWO of such a velvety mouth with a hard , probing tongue ... never once encountering the dreaded teeth.

After the session , Aylin cleaned us both and reclined like a feline femme fatale , to stroke me some more and chat in a velvety smooth voice in accented English.

Not just idle chit chat but some rather challenging questions on modern morality and sexual mores in various European countries .

There was no clock watching until a discrete tap on the door let to a giggling dressing session and a fond farewell kiss.

Unfortunately, as a tick on my BUCKET LIST, Aylin has tempted me for return visits .

Alas, she has fulfilled my fantasy.

Thank you so much Aylin, my Bucket List is almost complete !!!
