### The Premises:

Very discreet flat in a row of houses, with lots of metered parking in a safe well lit , Central MK neighbourhood.

Entrance is via a secure buzz in and an internal door off a quiet dark stairwell hall.

The apartment itself is a small well furnished place with a clean wet room shower ( which could be updated sooner rather than later ).

Towels are clean fluffy and in good supply . Don't be shy , use the facilities !!!

### The Lady:

Millie is beyond description, her photos are good, but don't display the energy and joy of her smile and laugh !!!

While she still sports Blonde Hi-lights, Millies hair is now straight and not flowing in permed curls.

Laughing, dark eyes separated by a pert but straight nose with a dazzling set of lovely teeth which often explode into a laugh.

Her luscious red lips , accented with REALLY red lip gloss is a master stroke of makeup.

A delicate neck , draws us to a lovely set of breasts , bulging out and begging to be stroked.

A slim waist led me to a joining of two deceptively long and smooth legs, joining into a place of Dark Desire with incredibly pink inner lips !!!

Oh I do go on , but Millie is a woman of wonder .

### The Story:

Slithering into the Bedroom , Millie greeted and kissed shyly.

Paperwork out the way ,

I explained my Bucket List Fantasy and Millie laughed and led me to the bed to do her bit to my List .

That started a whole session of us exploring each other's bodies by fingertip .

Millie then told me she wanted to give me something to remember her by , and ever so gently went OWO !!!

Heaven on Earth . Lips gripped me and she sucked me off . Her hard tongue swirled and licked .

It was a great session and all I needed .

Gasping, I settled back while Millie gently snuggled up beside me and gently massaged my shoulders and arms.

A wonderful experience with a lovely and kind lady.

We chatted for a bit till I noticed the time and we dressed .

Millie will take you to another level of Fantasy and you'll beg to return .

Unfortunately, alas this is my Bucket List or I would indeed, be one of Millies regulars.

Thank you Millie for topping off my Bucket List .
