The Story:

I have visited ego perhaps a 100 times. This was my worst visit by far. The pics are simply not a true reflection of what was expected. I have seen all the gems before, Jess, jayda etc. I think this lady is in the wrong job ?? . Minimal effort, and I would go as far as to say she is going through the motions just to get through the day. Her personality doesn't fit the role. Timid and almost introvert is not what is needed. I would suggest a serious training session perhaps by the inimitable Jess would b a start. A waste of £55 .
