The Premises:

Anna has a small basement flat a short walk from Bayswater tube. The bathroom is decent, and the shower is just big enough for an intimate and sexy shower together.

The Lady:

Anna is a young Thai woman, with a really great figure. Quite tall and slim, with lovely big breasts. She matches her photos on the profile page, and the video shows just how desirable she looks.

The Story:

Although I have enjoyed Anna's company before, this was my first visit back since the original lockdown early last year. I wondered if she would still look as good some 18 months on. In fact she looks even better, and her service was every bit as good as I remembered. She has an extensive range of services, all delivered with skill and enthusiasm, and all of which I enjoyed today.
