The Story:

Called ahead to ask if I could come in out of the rain as I was about 15/20 minutes early, luckily for me they said yes. I was greeted at the door by Chelsea, who was dressed in an all black top & leggings & looked amazing. My first thought was have I made the right choice. As I was shown to the room the doorbell sounded, Chelsea again answered the door this time for Vanessa. After a few minutes in came Vanessa & what a sight to behold, white underwear, stockings & heels. I knew then I had made the right choice. Stunning. Once the paperwork was sorted we started kissing, first little light kisses on the lips then mixed with FK. I moved so I could watch in the mirrors as Vanessa went down on me, three different angles, I was in heaven. Soon we moved onto the bed to 69, I wanted to taste her. Her sucking was getting to much & I asked if I could cum, I was told yes but before I could I changed my mind, I wanted to cum on her body. With Vanessa laying on the bed I finished myself off over her body. I couldn't help myself, I had to lick it off. As I did, she said that was so good & sexy. We layed down afterwards & chatted for a bit before we started round 2. We started with Vanessa on top then switched to doggy, I pulled out so I could taste her again & this rim her as well, I loved the taste of both holes. I was given more oral but I couldn't manage a second pop, trust me, Vanessa did everything she could for that second pop but it just wouldn't happen. It was my first time seeing her, it won't be my last. The banter was good, the company was great & everything else was amazing.
