The Premises:

Discreet entrance off one of the main roads in Loughborough. Neighbourhood appeared very safe and lots of parking about, I chose to park at the nearby train station. Met by a very friendly receptionist and asked to have a seat in a nice clean seating area. Area is closed off from the stairs up to the room so no contact with other punters can be made.

I was taken up to a small but clean room and offered a shower. Room was mirrored and had a small tv playing an adult movie to get in the mood. A variety of adult magazines

The Lady:

One word - stunning! Photos don't do justice. Sky has the proper girl next door figure, which is exactly what I like. Likely to be early 30s, but as fit as a fiddle. Lovely character, good conversation and just friendly and easy to get along with

The Story:

So this was my first ever punt and I was the standard bundle of nerves. Both the reception and Sky however made me feel really at ease. Sky came to introduce herself before freshening up and returning in the sexiest black number you can think of. A little bit of chat to make me at ease before the clothes came off. Sky allowed for full body kissing (no French kissing, but that's fine by me) followed by me giving her oral. She seemed to enjoy it and that prepped me right up and she was soon reciprocating OW. This was hands down one of the best BJ I've ever had, deep throat and everything. We then swiftly moved on the intercourse, multiple positions. What impressed me was that Sky figured out my likes without me needing to tell her. She really made my time with her special. I managed to finish multiple times. Thoroughly thoroughly recommend this lady, not only is she good at what she does but she's also a lovely lady to talk to.
