### The Premises:

The building was dark and as I walked up the stairs Tracy popped her head round the door. Once inside I was offered a shower which I gratefully accepted. While I was doing that Tracy changed into a black dress.

### The Lady:

My first impression of Tracy was that she didn't seem overly friendly. That changed as soon as I emerged from the shower where Tracy enveloped me in kisses and I fondled her bottom and felt the outline of her body. She dropped to her knees and sucked my cock. Her technique is good ie, no teeth,. It was nice and sloppy cos she worked me with her tongue.

### The Story:

We moved on to the bed and Tracy sat on my face. I loved licking her pussy. She asked if I wanted 69. Oh yes, and so we performed oral on one another

Next Tracy gave me a triple whammy of sticking two fingers up my bum, sucking my cock and licking my nipple all that time. Total pleasure. There was some dirty talk from Tracy as she was going at my arse with her fingers.

Then it was onto fucking. We started in mish with Tracy imploring me to go hard & deep. After a few pumps in that position I asked for doggy. Tracy bent over a chair in front of the mirror and I took her from behind and played with her hair. The only negative of the session is that those bolt ons don't bounce very much

Tracy is a good finisher too. She oiled up my cock, wanked it and just as I was about to erupt she covered the old chap with her mouth and took my dollop in her cake hole. Tremendous.

Deffo the girl in the photos (AW & Olina) but at least 5 years older. Tracy is very pretty nonetheless. When I left I was asked to mind the step. She wasn't kidding either.
