### The Premises:

Quiet end of the road about 10 minutes walk from Victoria station. Had a shower and was offered a drink by the maid.

### The Lady:

Tall Lithuanian with long blonde hair, legs that go on forever, amazing natural breasts and a shaved pussy. Her face is blurred on the House of Divine website but you won't be disappointed when you see her. Stunning.

### The Story:

I had seen Chelsea once before back in September 2018 and had a great time with her back then so I knew what to expect from her again. She is smiley and friendly and when she entered the room she gave me a kiss and a cuddle. She then took her top down and let me play with her breasts before she headed down to give me some lovely OWO. I was positioned so I could see the back of her head in one mirror and her with my cock in her mouth in the other. I suggested after a while that we got on the bed and she got between my legs and carried on with the blow job, which she excels at. She was licking up and down my shaft and at my request she planted some kisses on my cock as well as pinching my nipples. All the while she was doing this she was keeping very good eye contact. We then had a very nice 69 before it was time for the condom to go on. Chelsea did this by putting it on with her mouth, something that I am always fond of seeing girls do. She asked what position I would like and as always I went on top. It was lovely looking into her eyes while we had some slow sex. She then went on top and seeing those gorgeous breasts bouncing up and down was a great sight to see. I also had a nice suck on them while she was on top. I then went back on top and the sex was fantastic but time caught up with me and I couldn't manage to cum before the 30 minutes were up. As I got ready, we had a chat and then I was soon out the door, departing with a kiss from Chelsea. I will definitely see her again and I won't leave it so long next time!

To conclude, a really lovely girl who does all that she offers in her services. Highly recommended.
