The Premises:

Bruna's apartment is a nice and easy place to find in Earls Court. Somewhere I've been to before a few times. Clean and tidy, quite spacious. Felt safe and secure.

The Lady:

She is the girl in the pictures. They have obviously been enhanced a little, but she has the body for sure! Very naturally pretty, with a few enhancements. Tall, slim and toned. Speaks pretty good English, although she wouldn't say so. Friendly and unhurried. Recommended

The Story:

She greeted me in her underwear and heels, similar to the pictures on the website. Her hair was long and straight. She has some extensions I think. Well at least that what I hope they were when I felt them as she was giving me head!

After shower we began with some very passionate kissing, then straight into some OWO. This was quite nice, but not the best I've had from a Russian to be fair. Moved onto missionary sex which was great because we had even more kissing. She has a lovely firm boobs, medium sized and the perfect handful. She went on top for a while, but I had some aches and pains and needed to switch. We screwed for a while in doggy and then I had to ask her to finish me off with more OWO, which she did willingly and with gusto. Jerked me off to finish.

I was too knackered for a second time, but it was possible. I would see her again for sure.
