The Story:

I have seen Tracy on numerous occasions over the last 18 months or so and have generally enjoyed her services but have found that recently her service has become poor, disinterested and uninspiring. She no longer seems to show any enthusiasm for kissing, is very reluctant to receive oral and wriggles away from you giving the "too sensitive" excuse, which has never been a problem with her before. And now sadly her OWO has gone the other way too. She refrains from going more than 2" deep on your cock and when you do eventually cum she holds your cock tightly to prevent you cumming any further and completely ruins your orgasm.

She only scrapes a neutral due to her being willing to take a good pounding during sex and doesn't pad her pussy up with toilet paper to prevent deep penetration unlike Anna and Nicky.

Not good times to see Olina girls at the moment nor Thai agency girls in general in my opinion.
