The Story:

I booked in 30mins ahead having woken up with a hangover and in need of a Please pcure. I buzzed the door and went straight up the stairs where Apple opened the door. Morgan was lounging on the sofa. I said hello, she sat up and jiggled her full breasts and we both acknowledged I would be coming to see her soon.

Apple led me to the room and left me to get undressed, she quickly joined me, I got the paperwork out of the way and we snogged as I let my hands wander over her black nightdress. As we kissed passionately I lay back and she kissed my neck and chest down to my cock which was hardening quickly as she took me in her mouth and sucked and licked my balls after a few minutes of this bliss, Apple climbed up into 69 sitting on my face. I sucked and licked her clit as I pushed my face into that delightful ass as apple sucked on my cock and tickled my balls with her long nails.

Then she sat up so she was properly sitting on my face as I breathed in her gorgeous scent and then stuck my tongue in her pouting asshole. I only do this with girls who are clean as a whistle which Apple certainly was. Next up she span round and squatted on my face so I could work on that clit until I suggested we fuck...

Seconds later Apple had expertly put a rubber on me and was sliding onto my cock. We fucked like this for a while as I thumbed her clit. I asked if she had a toy and she leaned over to her bag and pulled out a small vibrator which she pressed against her clit and leaned forward to squeeze it between my pelvis and her bud as we screwed and she moaned with pleasure. We rolled onto our sides and I turned her round to spoon her as she held the toy against her bud. I leaned back to allow my thumb access to her ass hole. I know from previous meetings that Apple is a real A-Levels girl and I asked her if she wanted me to fuck her arse. To my joy she said yes and grabbed tube of

aptly named "bootie relax" lube and then slipped my cock into that tight ass. Inch by inch I fed my cock into her until it was all the way in and she gasped as my fucking intensified. I fucked that gorgeous hole for a good ten minutes, moving to doggy as she pressed her chest to the bed and splayed her hands out whilst I rammed her from behind. As she moaned and cried out she looked me in the eyes over her shoulder. I said I'd love Morgan to come in and see this to which Apple suggested we have a threesome next time. Soon I felt the inevitable before I came hard with my cock deeply buried in her arse.

We cleaned up and Apple gave me a thorough sports massage carefully working my back and legs and finishing on my neck and head after ten minutes I turned on my side and we kissed some more before this fixed got to work in 69 once more. My cock hardened again as she suffocated me with those perfect ass cheeks. I knew round 2 would take longer so I suggested we fuck again...

Rubber on as I sat on the end of the bed, I grabbed my shirt from over the chair and put it round her and she slid her arms in. I'm 62l ft 2 so my shirt drowned her and she looked so sexy as she turned around and sat on my cock lapdance style. I leaned over to turn the mirror to so we could look in each other's eyes and I could take in the sight of this beauty writhing on my lap. I slowly stood up and she put her hands against the wall still looking in my eyes through the mirror as I nailed her from behind and slipped the shirt off to reveal her nakedness. Turning to bend over the bed I kept ramming into her as she gradually climbed up in the classical doggy position, spoons followed as well as her on her back and me on my side. We used the toy again but the battery was low. We'd been fucking purely for 15 minutes and I noticed we had less than ten minutes left. I was determined to not leave this second job unfinished and suggested missionary, moving between kissing her and looking her in the eyes as we embraced each other and fucked deeply. She kissed my neck and then found a sensitive spot that she concentrated on flicking her tongue hard to add another erogeonous stimulation to the already incredible grip of her pussy around my now pulsating cock I concentrated hard and eventually came with just 2 minutes left to spare. Despite being out of time apples allowed me to shower which was great on a hot day. I got dressed, said goodbye end left happy and fulfilled.
